# LOGIN

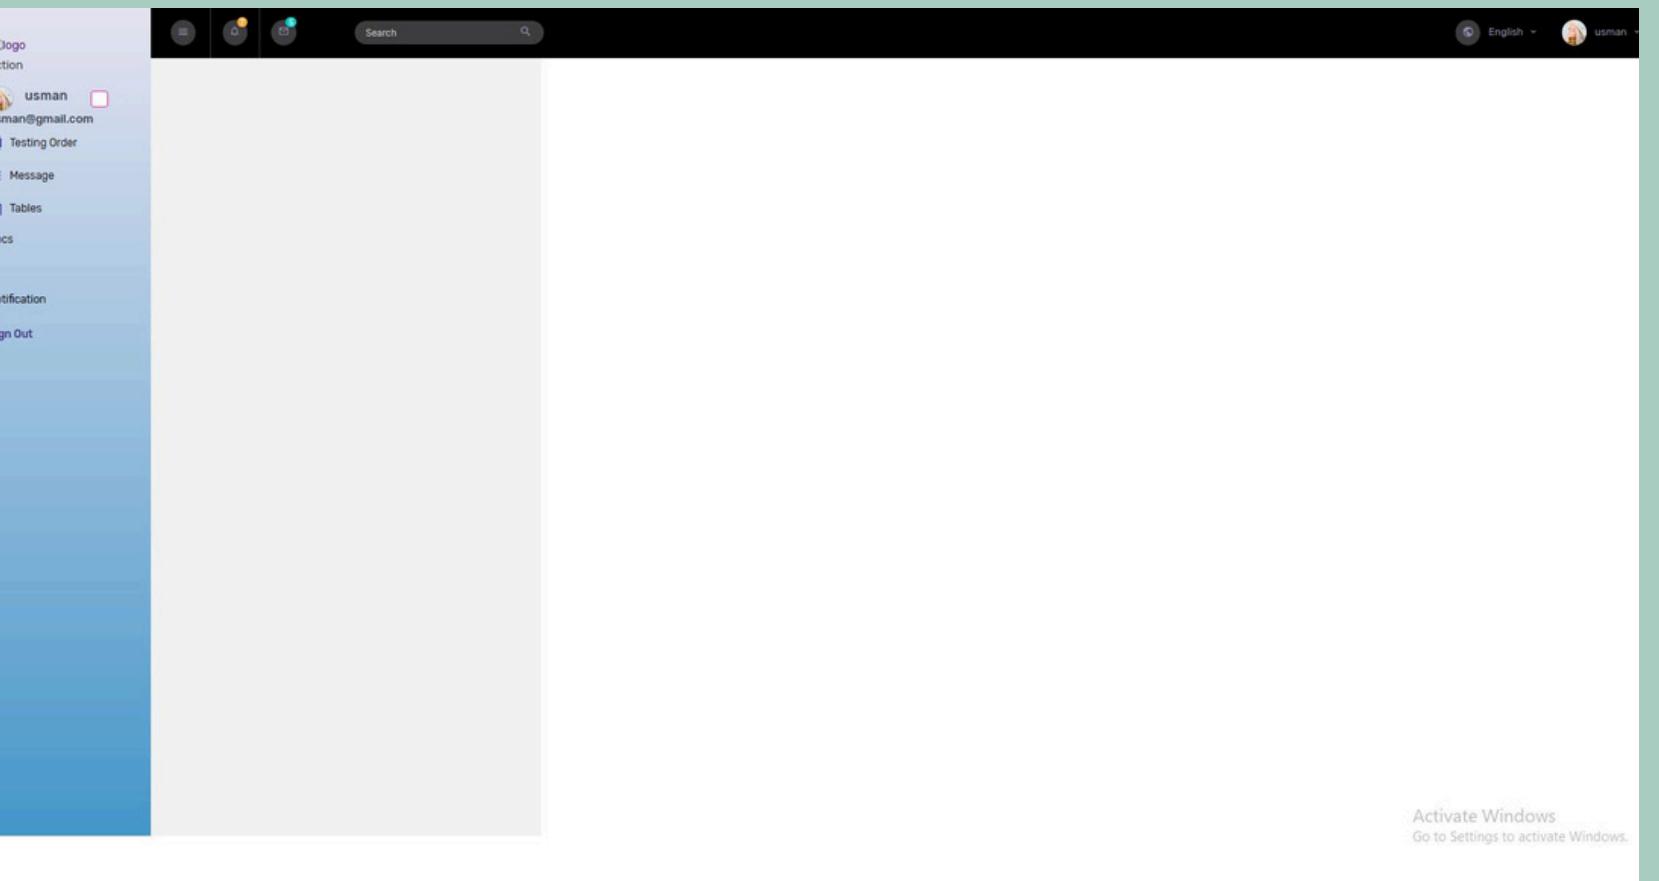

"USER LOGIN welcome dashboard" is the initial screen upon logging in to the administrative interface, offering an overview of key system metrics, functions, and navigation options.

# LOGIN FROM

"Admin panel" is a centralized interface designed for administrators to manage and control various aspects of the website.

# ADD USER

Add PRODUCT info in USER PANEL" allows administrators to input and manage flight details within the system's control interface.

# ADD PRODUCT

The screenshot displays a software interface titled "ADD PRODUCT". On the left, a sidebar menu includes "connection", "usman", "usman@gmail.com", "Testing Order", "Message", "Tables", "Docs", "Notification", and "Sign Out". The main content area is titled "Personal Information" and contains fields for "connection User Id" (18), "First Name", "Last Name", and "Phone". Below this is a section titled "Company Info" with fields for "Company Name" and "Company Email". A dropdown menu for "Company Bank Account" is set to "Select Your Bank Company Account". The "Description" section includes a file upload field for "Upload Testing Brief Here" (no file chosen) and fields for "Name Of Component" and "Component Details". A "Order Now" button is at the bottom.

## ORDER APPROVAL

Tickets Payment info in the admin panel" refers to the section where administrators can view and manage payment details related to ticket transactions within the airline reservation system.

Order Approval

"ORDER info in the admin panel" enables administrators to manage and update aircraft details within the hotel reservation system's control interface.

# USER SIDE

# Register User

User provides info like username, password.

System checks and validates input.

**Account is created if info is valid**

User may need to confirm details.

System provides feedback on success or issues.

Optional steps like setting preferences may follow.

# LOGIN PAGE

- User provides username/email and password.
- System verifies the credentials.
- If correct, user gains access; if not, access is denied.
- User interacts with the system based on permissions and features available to them.

login form

The login form interface features a teal background with a wood-grain texture. At the top center, it says "login form". Below that are two input fields: "email or Username" and "Password", both with placeholder text. A large black "Login" button is centered below the password field. At the bottom left are social media icons for Facebook and Google+.

# ADMINE DASHBOARD

# Home PAGE 1

# Home PAGE 2

A screenshot of a website homepage with a dark green header bar containing navigation links: Home, Product, Testing Department, Why Us, About Us, Contact, Admin Panel. Below the header is a large dark green section with the text "Shop Now" in white. Underneath is a "Products" section featuring six product cards: "10µF 2200µF 50V Electrolytic Radial Capacitor 10", "Fuse 5 Amp Fast-Blow", "8X Panasonic D Batteries Super Heavy Duty Carbon", "Metal Film Resistor", "Basics 4-Pack 9 Volt Alkaline Everyday Batteries", and "Bussmann S-15 15 Amp Type S Time-Delay Dual-Element". On the left side, there is a "Category" sidebar with a list of product types. At the bottom right, there is a watermark-like text "Activate Windows Go to Settings to activate Windows."

# Home PAGE 3

A screenshot of a website's "About Us" page. The top navigation bar includes Home, Product, Testing Department, Why Us, About Us, Contact, Admin Panel. The main content area has a dark green header with "About Us" in white. Below it are three image galleries: "Our Mission" (a lab setting), "Our Vision" (a person in a lab coat), and "Our Values" (a factory floor). A social media footer bar at the bottom includes icons for Twitter, LinkedIn, and Facebook. A watermark-like text "Activate Windows Go to Settings to activate Windows" is at the bottom.

The main page of a website.  
It introduces visitors to the site's content.  
Typically contains navigation options and key information.  
Serves as the starting point for user interaction.

# ABOUT US

The screenshot shows a website layout for a company. At the top, there is a dark navigation bar with links: Home, Product, Testing Department, Why Us, About Us, Contact, Admin Panel, Cart, and Login. The main title "About Us" is centered on a green background. Below the title, there are three images: a man in a white lab coat working at a machine, a person in a lab coat and hairnet holding test tubes, and a robotic arm moving a test tube. Each image has a caption: "Our Mission", "Our Vision", and "Our Values". The "Our Mission" section includes a short description. At the bottom, there are social media icons for Twitter, Instagram, and Facebook, and a link to "Activate Windows".

**About Us**

**Our Mission**  
We aim to provide the best electrical solutions that are innovative and sustainable.

**Our Vision**  
Our vision is to be a world leader in the electrical sector, pushing forward with new technologies and smart solutions.

**Our Values**  
Commitment, Sustainability, and Innovation define our approach to reshaping the industry.
